DELIGHT MK2

- a uniquely designed Quilting table..... for you & your sewing machine!

You wanted :

- ▶ A large working area positioned all around you and able to support even the largest projects,
- ▶ A handy shelf to the right of your machine,
- ▶ Rounded off corners to prevent your projects from catching,
- ▶ A greater seating area ,
- ▶ More drawer storage,
- ▶ A large flat area to cut out / piece on when the machine is away,
- ▶ Arrives with everything included for one unbeatable price,
- ▶ The ability to accommodate most of the largest sewing machines, It's what you've been waiting for.... Order yours today!

INCLUDED- the QD2 is automatically supplied with a filler piece which fills in the hole left when your machine is stored away, so with the back area up it will create a large solid cutting area.

Huge working area when your machine is away and the back area is up

The QD2 - Closed down (with hole filler piece in place)

INCLUDED- a handy mobile set of drawers which when stored sits tidily inside the main table, so reducing its floor space, but when pulled out to be used it can be moved to any position best suited for you.

A work bench purpose made for Quilting!

You can add to your storage with our Rolla storage unit

Beech, White

Please note that this cabinet is very big and any stairs mounted will be at the driver's discretion

The QD2 - with the back work surface down

The QD2 - with the back work area up - rigid stability on the 2 supporting legs!

- ▶ Centre of the needle sitting position, allows you to be directly in front of the needle when sewing.
- ▶ Extra stable, open base construction; 7 easy rolling lockable castors (main unit) & 4 on the set of drawers, attached to a specially designed reinforced frame.
- ▶ 3 step push down release air-lift mechanism means a quick push down moves your machine from storage to flatbed to free-arm positions and will fit virtually all domestic sewing machines on the market old or new!
- ▶ A Handy set of mobile drawers included.
- ▶ Back work area behind the sewing machine. Lifts up easily when needed and down when not (so it doesn't have to be open all the time). It has a very sturdy dual gate leg design with Quilters/ Patchworkers in mind but is ideal for any sewing project.
- ▶ Additional filler piece included. So you can fill in the hole that is left when the machine is down. This gives you a large area to cut out, piece on etc...
- ▶ Extra work surfaces to the left & right of you.
- ▶ Handy storage 'cubby hole' under the left side flap for machine accessories.
- ▶ Arrives fully assembled, the cabinet is beautifully finished front to back, inside and out.

Now fitted with a new 'inset' design where the inset sits inside the aperture on holders thus giving an even flusher, smoother, sturdier surface from tabletop to machine arm.... You'll love it!

Fitted with our Horn Maxi air-lifter!
Ideal for the new extra large sewing machines- such as the Bernina 800 series, Brother V Series Janome Horizon Range & Husqvarna Epic amongst others but its not just for larger machines its also ideal for all normal sized domestic sewing machines too!

(Take a look at page 38 to see how the air-lift works)
