

**Flat-bed
Extension table**

Dimensions of Extension surface:
560mm (22") Wide
300mm (11¾") Deep

New
Improved stronger,
larger size!

- Custom cut to fit almost all sewing machines.
- Handy, portable size.
- Quick, easy assembly.
- Adjustable height legs to allow easy height adjustment to suit your machine.
- Ideal for all those current or older sewing machines that an extra flatbed adapter table either wasn't made for or now not available for.

**CAN BE CUT TO FIT
ALMOST ALL SEWING
MACHINES**

*An adapter to extend
the flatbed work
surface of your
sewing machine.*
