

The Horn SUPER Q

- this will answer all your needs- a truly fabulous unit!

Showing the back work surface down

INCLUDED- a slot in filler piece for the top drawer that gives even greater supported work area but more importantly can also be removed if you want to give yourself greater seating space.

- Fitted with our Maxi-lifter domestic sewing machine opening (type 1942) which is capable of taking virtually all sizes on the market old or new!
- This model arrives fitted with our 3 step push down release air-lift mechanism which means a quick push down moves your machine from storage to flatbed to free-arm positions.
- A huge bank of large drawers. One in the main unit and 3 on a mobile separate caddy, that can be positioned wherever is best in relation to your project at that particular time.
- Supplied with a slot in filler area but can also be removed if you want to give yourself greater seating space.
- A huge work area at the back of the machine which prevents the needle drag that can happen with large projects. It which lifts up easily when needed and down when not (so it doesn't have to be open all the time). It has a very sturdy gate leg design which is ideal for all sewing projects.
- Slot in filler for above the machine when its away to give a large work area.
- One acrylic inset plate cut out to fit your sewing machine is included with this model.
- Arrives fully assembled. No having to assemble it yourself!

CLOSED - WIDE 128cm (56") DEEP 52cm inc. drop leaf back (20 1/2") HIGH 75cm (29 1/2")

The SUPER Q is pictured here in our Weathered Oak finish

Fitted with our 'inset' design where the inset sits inside the aperture on a ledge thus giving an even flusher, smoother, sturdier surface from table top to machine arm.... You'll love it!
